3. Miami Veterinary Foundation ~ <https://www.miamivetfoundation.org/spay-and-neuter>  
MVF provide spay/neuter services for low-income communities, **community cats** and MDAS approved rescued partners. Low-income owners must provide proof of receiving benefits of one of the following:
  - A) Food stamps, Medicaid, SSI
  - B) Temporary Assistance for Needed Families
  - C) Jackson Memorial Hospital Clinic Care

Under the **community cat program**, community cats are spayed/neutered at no cost to the member who brings the cat in for services. Services include ear notched, spay/neuter surgery and rabies vaccine with no income qualifications. Anyone wishing to help the community cats may utilize the service at no charge. Visit the website to find a vet near you.

4. Visit these websites for more spay and neuter resources available in your area.
